### **Land Surveyor/ Crew Chief**

#### **Job description**

Karins and Associates is seeking a full-time, experienced land surveyor/Crew Chief who can lead the team and provide exceptional value to our clients by transforming ideas into successful projects. Responsibilities include but not limited to;

#### **RESPONSIBILITIES**

- Perform field work for boundary and topographic surveys, construction stakeouts, and details for public works projects, land development projects, residential subdivisions and other construction services projects

#### **QUALIFICATIONS AND REQUIREMENTS**

- Must have at least 5 years of experience, High School Diploma required
- Must have a valid driver's license
- All applicants must be physically able to perform certain field duties on an as needed basis.

#### **ABOUT KARINS AND ASSOCIATES**

Karins and Associates is an award winning, client-focused firm that goes beyond traditional design and planning. For more than 48 years, we have provided exceptional value to our clients in civil engineering and land surveying services and proudly serve our diverse clients from three states and five office locations.

Karins offers services including subdivision/land development, surveying and 3D laser scanning, stormwater management/water resources, utility planning and engineering, transportation and traffic engineering, certified construction review, and construction permitting.

Our mission is to transform ideas into successful projects with superior customer service and advanced technological solutions to our clients. We place the highest importance on our vision by creating “Better Communities Through Better Engineering.” We deliver extraordinary projects that come alive in the communities that we serve.

Our corporate headquarters is in Newark, Delaware, with additional locations in Georgetown, DE, Bryn Mawr and Exton, PA, and Forest Hill, MD.
